We would vastly A new discess may be formed within the lim-A new cases may be formed within the limits of any existing diocese, with the consent of laters in Lincoln's army, with muskets in their hands bishop or bishops thereof: or, if hands, rather than that they should provide about the country, as they are now doing. As speculators, they are doing an immense injury to our said Lincoln's they are doing an immense injury to our said Laters. The laters and Moses' Shear Black. with like consent: Provided, that no such new diorese shall be formed, which shall contain less than ten presbyters, who have been for at least ne year canonically resident within the bounds run at the first fire, leaving their numbers behind f such new diocese, regularly settled in a par- them, and thus, unconsciously, do some real

the of congregation, and qualified to vote for a dishop; nor shall such new discess be formed.

If the government needs anything for the use the part of the new discess should be so of the army, that is found in the hands of a 500 pairs Russett Brogans, speculator, it should not submit to be fleened to orting parishes, or less than differen prosbyters, his advantage. The property should be taken-the have been resident therein and settled and not purchased—at a fair price, for the publiualified as above mentioned: Provided, that no use. This may be constitutionally and proper ity shall form thus one diocese. And it speculation shall make prices to ity shall form thus one diocese.

In case a diocese shall be divided into two or high to be borne by the great mass of our pe more discesses, the discessar of the discesses of disple, they, too, acting under the pressure of a rided may elect the discuss over which he will necessity that rises above all law, may find themselves compelled to adopt the same sharp remedy for the evil that afflicts them. Let the

A SHARP RESURE.—The Bowling Green ART. S. The mode of trying bishops shall be (Ky.) correspondent of the Nashville Union and American states the following: An amoning incident, and one calculated to awaken the northerners to a keen sense of the inhospitable reception with which they meet in

their invasion of Kenmeky, occurred at Louisnorthern part of Indiana was being transferred from Jeffersonville to Loniaville on board the eacon.

ART. 2. No person shall be admitted to holy shere, the colonel of the regiment rode up the rders, until he shall have been examined by the shop and by two presbyters, and shall have beeled Kentuckians, who had assembled to wit-Old and New Testament to be the Word of God, and to contain all things necessary to salvations and I do solemnly engage to conform to the doctrines and weights of the Protestant Episcopal Church in the Confederate States of America."

In the Manuelland of the States of America. The reply, which contained a severe rebute to the imputinence of the inter-
